ENTERTAIN

PIX Artist Book is an art collection created through the collaboration of internationally acclaimed artists and models. This collection is divided into two main sections: the Style Book and the Comp Card Book, showcasing the creative works of artists comprehensively.

The *Style Book* comprises various artist categories, each vividly showcasing the unique personalities and styles of the artists. It supports web connectivity through QR codes, allowing real-time access to a diverse range of media content.

The *Comp Card Book* serves as a crucial tool for effectively conveying the images and information of models, emphasizing their versatility and providing essential details.
